

## WISD PRINTERS & COPIERS

WISD outsources most printer services to Applied Imaging.

This allows a faster turnaround time for:

- Printer repair
- Toner replacement
- Waste removal and recycling
- General service calls

## SUBMITTING SERVICE & SUPPLY REQUESTS

\*\*Please also feel free to report broken equipment to Tech staff by calling us at 734-994-8100 ext. 1286. We can report the issue to Applied Imaging on your behalf.\*\*

## REQUESTING NEW EQUIPMENT

[Click here to start your request](#) for a quote or information for a new printer or copier.

Tech Dept. staff might have a few follow up questions! We'll need to discuss your printing needs and environment to get a better idea of what equipment will be the best fit and if any other work is required to put a printer in place.
